****SpongeBob: ****

(Excited)

AAhh, today I woke up with the wish to hunt jellyfish, but with this cloudy weather, all this garbage... Hey, wait, this garbage? Look at those! I'll have to dodge everything! How much dirty, they should've met the 3R's: Recycle, Reuse and Rethink!

****SpongeBob: ****

(Watch)

Did you see that, pirate?

****Pirate****

Oh, there's so much pollution here!

****Bob****

But I won't give up! I'm going to hunt jellyfish! I love it so much and I was also bored at home just playing my video game. But what is this? a juice box! This is not right!

Every little action count! And together, we can make a big difference.

(Nostalgic)

Wow, I remember when I was just a kid, a little sponge... It was all so clean! After the fame Bikini Bottom, it became so polluted ...

(Angry)

I think it was those humans, yes!

(Excited)

Hey, guys!

(Dramatic)

Something smells fishy! Were you humans? Were you the ones who threw all this garbage?

(Going to Squidwards house)

Did you know that the sea is like a big home for many animals, such as fish, turtles and even colorful corals?

(wait)

Now I'm going to ask Squidward. Maybe he wants to join me and go jellyfishing behehehehehehe.

****[scene 3: AT SQUIDWARD'S HOUSE] ****

****SpongeBob: ****

(Come in)

Ahoy! SpongeBob has landed! I think he's home. Look, the lights are on!

(Excited)

Hey, Squidward! Are you at home?

(Ring the bells)

****Spongebob***

Helloooo Squidward, I know you're there! Don` t try to hide from me again!

****Squidward****

(From the bottom)

I am, I am **here**! What do you want?

****SpongeBob: ****

(Worried)

Have you seen how much pollution is there's in the Bikini Bottom?

****Squidward: ****

(Seriously)

Yes, I've seen! **The ocean is a total mess! Trash, plastic and junk everywhere! And guess what? It's not the jellyfish throwing parties – it's the humans!**

****SpongeBob: ****

(Mocking)

I don't even know what to say about this, this isn't the Bikini Bottom I know! I came here to invite you to go jellyfishing with me.

Squidward

(grumpy)

Obviously not! Leave me alone SpongeBob!

****SpongeBob: ****

(Disappointed)

Ah, but why not?

****Squidward: ****

(Exasperated)

You know that last time I was electrocuted, and I didn't like it at all!

****SpongeBob: ****

(Laughing)

Yeah, it was funny! But okay, maybe next time?

****Squidward: ****

(Decided)

No way! **Never!!**

****SpongeBob: ****

(Laughing)

Beheheheheheh

So okay, I can always count on Patrick. He's so cool! Behehehehe!

****[SCENE 4: AT PATRICK'S HOUSE] ****

****SpongeBob: ****

(Excited)

Barnacles, I've made it! Hey, Patrick! Are you at home?

****Patrick: ****

(Confused)

Hmmmm, I am... But who are you?

****SpongeBob: ****

(Animated)

It's me, Patrick!

****Patrick: ****

(Distrustful)

Huh, but I'm Patrick! Who are you?

****SpongeBob: ****

(Smiling)

It's me, your best friend!

****Patrick: ****

(Sarcastically)

Hey, but if you're my best friend, you'd know that I put a state-of-the-art computer vision with Raspberry Pi 0 that the Scooby-Itu team helped me put together!

****SpongeBob: ****

(Confused)

Ah true! I had forgotten! So okay, I'll go there.

****Patrick: ****

(Normal)

Come on, cause nobody's going to steal my precious crab burgers!!

****SpongeBob: ****

(Relieved)

All right! Now it must have worked.

****Patrick: ****

(Smiling)

It's you! Thankfully, lately we're always in danger, it's always good to be safe, right?

****SpongeBob: ****

(Agreeing)

That's True, my friend!

****Patrick: ****

(Curious)

But, why did you call me?

****SpongeBob: ****

(Animated)

For us to go jellyfishing!

****Patrick: ****

(Happy)

I love jellyfishing! Haha!

(changes humor)

Bikini bottom is drowning in garbage! And it's not the fish doing it – it's those land creatures with their trashy habits!

**SpongeBob: **

(Excited)

True Patrick, it's very dirty indeed!

**Patrick: **

(Observing)

it seems that there are some jellyfish here. Hey wait, they look like the voice actors' caps hahaha! There's a jellyfish standing there! I think you can get this one haha!

**SpongeBob: **

(Challenger)

Yeah, this one I think I can catch!

(Getting ready)

Guys! Help me! Shout "Sponge Rob!" loud on 3 for me to get it!

**Public: **

(Counting)

1, 2, 3!

**[SCENE 5: THE DENOUEMENT] **

**SpongeBob: **

(Achieving)

(Excited)

I managed to catch a jellyfish... But wait, this is not a jellyfish, this is...

(Worried)

A plastic bag! I can't believe! How can they do this to us? It hurts us so much!

****Patrick****

Guys, we need to talk about something very important! Our home is in danger!

(worried)

It can hurt even us, right Bob?

****SpongeBob: ****

(Explaining)

Yes Patrick, you're right! The garbage can affect all our system and even cause us death! Do you have some ideas to prevent trash from reaching the oceans?

****Patrick****

Never throw garbage on the ground! Always put your trash in the trash bin.

****Bob****

Yes, you're the GOAT of sustainability Patrick! Also, there are many projects that help, such as the Sustainable Development Goals made by the United Nations, which are SDG 6, 14, 15, and SDG 11!

(COLOCAR NO VÍDEO DO TELÃO: SDG 6 drinking water and sanitation, 14 protect marine life, 12 Sustainable Consumption and Production and SDG 11 sustainable cities and communities.)

****SpongeBob: ****

(Encouraging)

Now that you know the problem of incorrect disposal in the sea, whenever you are near water, think about how you can make it cleaner.

****Patrick****

and safer for animals!

So let's take care of our home, the planet, and make sure that all sea creatures can live happily and healthily!

****SpongeBob: ****

(Excited)

So, ready to be a defender of the sea?

(PUBLIC: YESS)

I didn't hear it right!

****Narrator:****

(Animate Voice)

Are y'all ready kids?

(PUBLIC: YES CAPTAIN)

****Public:****

(Cheering)

Yayyyy! Another lesson learned successfully!

****Patrick: ****

(Smiling)

Now yes, the world is cleaner and happier!

****SpongeBob: ****

(Thanking)

So, that's it for today, folks!
